

# CORPORATE PARTNER PROGRAM

*“An orchestra of astonishing unity, virtuosity, power and refinement.”*

LE MONDE, PARIS

By committing to a corporate partnership with the Chicago Symphony Orchestra Association (CSOA), companies serve an essential role in sustaining the CSOA’s mission to enrich, inspire and transform lives through music, community engagement and education — locally, nationally and internationally.

Companies have access to a diverse suite of marketing and hospitality opportunities through partnership with the CSOA. Sponsorships can include concerts, series, educational programs and special events.
